

Steve Bornstein

Senior Consultant

With 30 years of experience as a corporate executive and business consultant, I now help leaders and teams produce tangible business results along with increased personal fulfillment. I show people how to clarify purpose and achieve success while maintaining balance. As I empower clients to find their own solutions, they connect with their inner wisdom and act on it. Providing perspective and clarity, I help clients close the gap between what they say and what they do; what they have and what they want.

I have served as CEO for Sunrise Films; Sr. Vice President for Programming and Feature Film Acquisitions, Lorimar Home Video; and Chief Operating Officer of Lion's Gate Films. In all of these positions I was involved in the development and implementation of business plans for new ventures and corporate reorganizations. I was also an instructor for the department of entertainment studies at UCLA Extension. Currently, I serve as a Board Member of Global Possibilities and Co-Opportunity Consumers Cooperative, Inc.

I received an MBA from the Stanford Graduate School of Business, an MS in Civil and Environmental Engineering from the University of Pennsylvania, and an MA in Psychology from the University of Santa Monica. I have also completed communication trainings at the Center for Non Violent Communication.

I have completed treks in Bhutan, Nepal and Patagonia. I can be reached at my home-office in Venice Beach, California at 310-035-1394 or steve@leaddev.net.
